# BOND 2024

Early Voting: April 22-30 | Election Day: May 4

## PROPOSED PROJECTS

**\$47,665,000**

### New Middle School

- Fully self-contained campus
- Grades 5-8
- 300 student capacity, allowing for growth
- Located west of the Maintenance Building
- Includes Cafeteria, Competition Gym, Media Center, and spaces for Band, Art, Wood Shop and More

### New High School Roof

---

## Why is this Bond being proposed?

Currently, Middle School students (grades 6-8) attend classes on the same campus as high school students. A new Middle School, totally apart from the High School campus, will allow students to be educated with their appropriate age groups.
